

WESTERVILLE NO MATCH FOR HIGH AT BASKET BALL

Fans See Lopsided Game In 'Y' Gym; Score 71 To 14

SUBSTITUTES WERE USED SECOND HALF

Coile Romps Through Game For 14 Goals; Blair Cages One Dozen

Mt. Vernon high school's basketball team completely swamped the five which came here Saturday evening from Westerville by the score of 71 to 14. The Westerville boys did not put up a good fight against Mt. Vernon's basketweavers, merely hampering them a little by some rather crude plays.

Coile and Blair, assisted in a great measure by Wright, the center, and the guards, played their best. Blair put up his usual good game, but was hampered somewhat by a long and rangy guard of the Westerville quintet, on whom many fouls were called before the 10 minutes of play came to an end.

Wright played an excellent floor game. He made five of the nearest baskets of the game, shooting several of them from near the center of the floor.

Clements showed up well, placing the ball in the trap on the wall once, while Kelsner played his customary steady game.

Westerville was upheld by spirited warriors, but warriors who, it was apparent, were no match for the swift Mt. Vernon players. Elliott, center, played the best game for Westerville, although Finley, about the same size as "Don" Coile, played his position well.

In the last five minutes of play, Coach Jerpe sent in three substitutes for Blair, Coile and Clements and would have put the entire second team in the field had not the Westerville coach objected on the grounds that it was little short of an insult.

Next Saturday evening Norwalk will be here. This team, it will be remembered, was picked for the championship of Ohio at the tournament last year, but was defeated the first round.

FREIGHT WRECKS STOP TRAFFIC ON B. & O. SUNDAY

Wreck On Either Side Of This City Isolates Mt. Vernon; No Trains Run

TRAINS LOADED WITH COAL ARE PILED UP

Eighteen Cars Derailed By Broken Wheel At Ankenytown; 15 At Vannatta

Two freight wrecks, one on either side of Mt. Vernon, on the B. & O. railroad effectually shut off this city from points on this line from 10:40 o'clock Saturday night until Monday morning as trains could come no nearer this city than Vannatta on the east and Ankenytown on the west.

A broken wheel on a boxcar derailed 15 cars loaded with coal at Vannatta about midnight Saturday. The freight was westbound and was hauling practically nothing but cars of coal. When the cars left the rails they tore up several yards of double track.

The wreck at Ankenytown occurred shortly after midnight, another coal train that had preceded the one wrecked at Vannatta meeting the same fate through the same cause. A plunger broken from a wheel on one of the cars caused it to leave the rails just after it passed the station at Ankenytown and here 18 cars piled up in zigzag fashion. The track was badly torn up here also.

In both wrecks the train crews escaped without injury. Investigation showed Sunday that the broken wheel that caused the mishap at Ankenytown must have occurred shortly after the train left Fredericktown, as several broken rails were found between this place and the scene of the wreck.

Wreck crews were rushed from both ends of the division to clear and repair the tracks, but the enormous job of repairing the cars and getting them back on the track, as well as repairing the roadbed, kept the crews at work all day Sunday and all night Sunday night.

Members of the train crews probably owe their escape from injury to the fact that they were all in the cabooses of the freights with the exception of the engineers and firemen and the accidents that derailed the trains occurred just a few cars back from the engines.

The wreck crews managed to get the tracks cleared about 8 o'clock Monday morning so that traffic could be resumed. The passenger train due here from the west at 7:40 a. m. was delayed five hours and fifty minutes just east of Chicago by a heavy snow storm Monday morning.

WM. J. VANCE DIES AT HOME IN AKRON

Former Resident Succumbs To Paralytic Stroke Sunday

William J. Vance, former resident of this city, died at his home in Akron at 10:30 o'clock Sunday night. Death was the result of a stroke of paralysis sustained several days ago which affected his right side. Mr. Vance was 69 years old last November and for the last three years has been retired, living with his wife, formerly Miss Florence Wilcox, daughter of the late W. J. Wilcox, and his daughter, Miss Ruby Vance.

Mr. Vance came here many years ago and lived here practically all of his life. He was a railroad man until about eight years ago when he accepted a position as oil expert with the Standard Oil Co. of Ohio. Three years ago, when he sustained his first stroke, he retired and moved to Akron.

The deceased leaves his wife, two daughters, Miss Ruby at home, and Mrs. Howard Rogers of Crowswicks, N. J., one brother and one sister, living in Oklahoma.

The funeral at the late home at 2 o'clock Wednesday afternoon. Burial in Akron. Mr. and Mrs. A. B. Stevens and son, John, of this city will go to Akron to attend the funeral.

The funeral will be Masonic with a Knight Templar escort.
